SECTION 2 – LOCAL EXCHANGE SERVICES**2.1 Local Exchange Service****2.1.1 General**

Local exchange service provides a Customer with a telephonic connection to, and a unique telephone number on, the Company switching network that enables the Customer to:

- a) receive calls from other stations on the public switched telephone network;
- b) access the Company's Local Calling Services and other Services as set forth in this price list;
- c) access interexchange calling services of the Company and of other carriers;
- d) access (at no additional charge) to the Company's operators and business office for service related assistance;
- e) access toll-free telecommunications services such as 800 NPA; and access toll-free emergency services by dialing 0 or 9-1-1 (where available);
- f) access relay services for the hearing and/or speech impaired.

Individual line local exchange services are comprised of exchange access lines defined as follows:

Exchange Access Line - The service central office line equipment and all the Company plant facilities up to the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the use offering selected by the Customer.

Local exchange service is offered to business Customers on a presubscription basis. Usage rates, per call charges and monthly fees may apply. In addition, applicable Service Order and other nonrecurring charges may apply. Call timing, if applicable, is defined in the description for each service. Service is available 24 hours a day, 7 days a week.

SECTION 2 – LOCAL EXCHANGE SERVICES (Cont'd.)**2.2 Optional Calling Features**

The features in this section are made available on an individual basis. All features are provided subject to availability. Certain features may not be available with all classes of service. Transmission levels for calls forwarded or calls placed or received using optional calling features may not be acceptable for all some uses in some cases.

2.2.1 Features

Anonymous Call Rejection - Allows a Customer to reject calls from callers who are using a blocking option to prevent display of their telephone number. The Customer activates or deactivates ACR by dialing a preassigned code.

Call Forwarding - Permits the Customer to automatically forward (transfer) all incoming calls to another telephone number, and to restore it to normal operation at their discretion. Other Custom Routing Features may also be available on request. Customer is responsible for the payment of applicable charges for each completed call between their call forwarding equipped line and the number to which the call is forwarded.

Call Forwarding Busy Line - Permits the forwarding of incoming calls when the end-user's line is busy. The forwarded number is fixed by the end-user service order.

Call Forwarding, Remote Access - Permits the end-user to automatically forward (transfer) all incoming calls to another telephone number, and to restore it to normal operation at their discretion. Feature activation may be performed from the end-user's exchange line or remotely from some other line. Remote access requires the end-user to 1) dial a special access number, 2) enter their seven-digit telephone number, and 3) enter a personal identification number prior to forwarding their calls.

Effective: April 24, 2014

SECTION 2 – LOCAL EXCHANGE SERVICES (Cont'd.)**2.2 Optional Calling Features (Cont'd.)****2.2.1 Features (Cont'd.)**

Call Return - Allows the Customer to return a call to the last incoming call whether answered or not.

Call Screen - Allows the Customer to automatically block incoming calls from a list of preselected telephone numbers (including numbers from which a Customer has just received a call). The list of numbers can be changed at any time. Callers whose numbers have been blocked will hear a recorded message and no usage charges will apply.

Call Trace - Allows a Customer to initiate an automatic trace of the last call received. After receiving the call that is to be traced, the Customer dials a code and the traced telephone number is automatically sent to the Company. The Customer using Call Trace is required to contact the Company for further action. The Customer originating the trace will not receive the traced telephone number. The results of a trace will be furnished only to legally constituted authorities upon proper request by them.

Call Waiting Basic - Permits the Customer engaged in a call to receive a tone signal indicating a second call is waiting and, by operation of the switch hook, to place the first call on hold and answer the waiting call. The Customer may alternate between the two calls by operation of the switch hook, but a three-way conference cannot be established.

SECTION 2 – LOCAL EXCHANGE SERVICES (Cont'd.)**2.2 Optional Calling Features (Cont'd.)****2.2.1 Features (Cont'd.)**

Call Waiting ID - Allows a Customer who subscribes to both Caller ID and Call Waiting to see the name and number of an incoming caller while engaged in a call. The name and number is displayed on a specially designed telephone or device that the Customer attaches to their existing telephone. Obtaining and maintaining the display device is the responsibility of the Customer.

Caller ID - Displays the name and telephone number of an incoming call on a specially designed telephone or device that the Customer attaches to their existing telephone. Obtaining and maintaining the display device is the responsibility of the Customer.

Repeat Dialing: Permits the end-user to have calls automatically re-dialed when the first attempt reaches a busy number. The Customer can continue to make and receive calls while the feature is activated.

Speed Calling 8 Code and 30 Code - Permits Customer to dial an abbreviated code to originate a call to programmed telephone numbers.

Three-Way Calling - Permits the Customer to add a third party to an established connection. When the third party answers, a two-way conversation can be held before adding the original party for a three-way conference. The Customer initiating the conference controls the call and may disconnect the third party to reestablish the original connection or establish a connection to a different third party. The feature may be used on both outgoing and incoming calls.

SECTION 3 - OPERATOR SERVICES (Cont'd.)**3.2 Local Operator Assistance****3.2.1 General**

The Company's operator services, available to presubscribed Customers, are accessible on a twenty-four (24) hour per day, seven (7) days per week basis. In addition to the per call service charge, usage rates apply. The types of calls handled are as follows:

Customer Dialed Calling/Credit Card Call - This charge applies in addition to usage charges for station to station calls billed to an authorized Calling Card or Commercial Credit Card. The Customer must dial the destination telephone number where the capability exists for the Customer to do so. A separate rate applies in the event operator assistance is requested for entering the Customer's card number for billing purposes.

Operator Station - These charges apply in addition to usage charges for non-Person-to-Person calls placed using the assistance of a Company operator and billed Collect, to a Third Party, by deposit of coins in Pay Telephones, or via some method other than a Calling Card or Commercial Credit Card.

Person-to-Person - This charge applies in addition to usage charges for calls placed with the assistance of a Company operator to a particular party at the destination number. This charge applies regardless of billing method, including but not limited to billing to a Calling Card, Commercial Credit Card, Collect, by deposit of coins in Pay Telephones, or to a Third Party. Charges do not apply unless the specified party or an acceptable substitute is available.

SECTION 3 - OPERATOR SERVICES (Cont'd.)

3.3 Busy Line Verification and Interrupt Service

3.3.1 General

Upon request of a calling party the Company will verify a busy condition on a designated local service line. The operator will determine if the line is clear or in use and report to the calling party. At the request of the Customer, the operator will interrupt the call on the busy line. Emergency Interruption is only permitted in cases where the calling party indicates an emergency exists and requests interruption.

A Verification Charge will apply when:

- a. The operator verifies that the line is busy with a call in progress, or
- b. The operator verifies that the line is available for incoming calls.

Both a Verification Charge and an Emergency Interrupt Charge will apply when the operator verifies that a called number is busy with a call in progress and the Customer requests interruption. The operator will interrupt the call advising the called party of the name of the calling party and the called party will determine whether to accept the interrupt call. Charges will apply whether or not the called party accepts the interruption.

No charge will apply when the calling party advises that the call is to or from an official public emergency agency. Busy Verification and Emergency Interrupt Service is furnished where and to the extent that facilities permit.

The Customer shall identify and save the Company harmless against all claims that may arise from either party to the interrupted call or any person.

3.3.2 Rates

SECTION 4 - DIRECTORY SERVICES (Cont'd.)

4.1 Directory Listing Service

4.1.1 General Terms and Conditions

- A. The Company shall provide for a single directory listing, termed the primary listing, in the telephone directory published by the dominant exchange service provider in the Customer's exchange areas of the Station number which is designated as the Customer's main billing number. Directory listings of additional Company Station numbers, other than the Customer's main billing number, associated with a Customer's service will be provided for a monthly recurring charge per listing
- B. The Company reserves the right to limit the length of any listing in the directory by the use of abbreviations when, in its judgment, the clearness of the listing, or the identification of the Customer is not impaired thereby. Where more than one line is required to properly list the Customer, no additional charge is made.
- C. The Company may refuse a listing which is known not to constitute a legally authorized or adopted name, obscenities in the name, or any listing which, in the opinion of the Company, is likely to mislead or deceive calling persons as to the identity of the listed party, or is a contrived name used for advertising purposes or to secure a preferential position in the directory or is more elaborate than is reasonably necessary to identify the listed party. The Company, upon notification to the Customer, will withdraw any listing which is found to be in violation of its rules with respect thereto.

SECTION 4 - DIRECTORY SERVICES (Cont'd.)**4.1 Directory Listing Service (Cont'd.)****4.1.1 General Terms and Conditions (Cont'd.)**

- D. Each listing must be designated Government or Business to be placed in the appropriate section of the directory. In order to aid the user of the directory, and to avoid misleading or deceiving the calling party as to the identity of the listed party, only business listings may be placed in the Business Section and only residential listings in the Residential section. The Company, upon notification to the Customer, will withdraw any listing which is found to be in violation of its rules with respect thereto.
- E. In order for listings to appear in an upcoming directory, the Customer must furnish the listing to the Company in time to meet the directory publishing schedule.
- F. Rates and regulations for listing service are applicable only to listings in the alphabetical directories.
- G. Directory listings are limited to such information as is essential to the identification of the listed party. The listing of a service, commodity, or trade name is not permitted unless it is the name, or an integral part of the name, under which the Customer does business.
- H. A listing is limited to one line in the directory, except where in the judgment of the Company, more than one line is required to identify the Customer properly. In such cases, the additional lines required are provided at no extra charge.
- I. Listing services are available with all classes of main telephone exchange service

SECTION 4 - DIRECTORY SERVICES (Cont'd.)

4.1 Directory Listing Service (Cont'd.)

4.1.2 Listings

A. Primary Listing

One listing, termed the initial listing is included with each Customer's service, and with the initial line of a line hunting group.

B. Additional Listings

At a charge, additional listings may be included in the alphabetical directory and on directory assistance records, or appear on directory assistance records only. The monthly rate for additional listings apply when the listings appear in Directory Assistance records in accordance with the date requested by the Customer.

If an additional listing is ordered discontinued by the Customer after the closing of the directory, the monthly rate continues through that issue of the directory and up to the date for rates to be effective for the next directory. If the additional listing is ordered discontinued before the closing date of the directory in which it would first appear the monthly rate continues only to the date of cancellation by the Customer, with a minimum service period of one month.

SECTION 4 - DIRECTORY SERVICES (Cont'd.)**4.1 Directory Listing Service (Cont'd.)****4.1.2 Listings (Cont'd.)****C. Non-Published Service**

Non-published service means that the Customer's telephone number is not listed in the directory, nor does it appear in the Company's Directory Assistance Records. However, such information may be displayed on a call-by-call basis at Public Safety Answering Point locations where Enhanced Universal Emergency Number service is provided (E911).

The Company will complete calls to a non-published number only when the caller dials direct or gives the operator number. No exceptions will be made, even if the caller says it is an emergency.

When the Company agrees to keep a number unlisted, it does so without any obligation. Except for cases of gross negligence or willful misconduct, the Company is not liable for any damages that might arise from publishing a non-published number in the directory or disclosing it to some. If, in error, the telephone number is published in the directory, the Company's only obligation is to credit or refund any monthly charges the Customer paid for non-published service.

The subscriber indemnifies (i.e., promises to reimburse the Company for any amount the Company must pay as a result of) and save the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-published service or the disclosing of said number to any person.

SECTION 6 – CUSTOMER OWNED PAY TELEPHONE ACCESS LINE SERVICE (COPT)**6.1 General**

The Company offers COPT Service, where equipment, facilities and operating conditions permit, for connection to pay telephones pursuant to the following provision.

The Company provides Customer-owned pay telephone (“COPT”) service access lines for connection of coinless programmable Customer-provided pay telephone equipment to the public switched network. COPT access lines provide the COPT Customer with a single, analog, voice-grade telephonic communications channel which can be used to place one call at a time. COPT access lines are provided on a single party (individual) basis for outbound calling only. No multiparty lines are provided.

Recurring charges for COPT access lines are billed monthly in advance. Usage charges, if applicable, are billed in arrears. Usage charges apply for calls placed from the COPT lines subscribed to by the COPT Customer. Nonrecurring charges for installation or rearrangement of service are billed on the next month’s bill immediately following work performed by the Company.

6.2 Regulations

6.2.1 The Customer is responsible for all local and long distance usage charges billed to the COPT line. These charges include, but are not limited to, any operator charges for calls billed to the line on a collect or third party basis in the event that the COPT Customer does not subscribe to blocking and screening features offered in Section 1 of this Price List.

6.2.2 Unless otherwise permitted by Commission rule or order, only one Pay Telephone instrument may be connected to each COPT line. Extensions must be configured and wired so that only one telephone will operate on the line at one time.

SECTION 7- SPECIAL SERVICE ARRANGEMENTS**7.1 Individual Case Basis (ICB) Arrangements****7.1.1 General Description**

Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this price list. The facilities utilized to provide these services are of a type normally used by the Telephone Company in furnishing its other services and shall be comparable with other Telephone Company services, and its engineering and maintenance practices. The requested service or arrangement is subject to the availability of the necessary Telephone Company personnel and capital resources.

7.1.2 Contracts

The Company may provide any of the services offered under this price list, or combinations of services, to Customers on a contractual basis. The terms and conditions of each contract offering are subject to the agreement of both the Customer and Company. Such contract offerings will be made available to similarly situated Customers in substantially similar circumstances. Rates in other sections of this price list do not apply to Customers who agree to contract arrangements, with respect to services within the scope of the contract.
